

This image shows a blank sheet of lined paper with rounded corners. The paper is oriented vertically and features two horizontal dashed lines that divide the page into three sections: a top section, a middle section, and a bottom section. The lines are evenly spaced and extend across the width of the page.

This image shows a second blank sheet of lined paper, identical to the first one. It has rounded corners and two horizontal dashed lines that create three distinct sections for writing or drawing. The layout is consistent with the first sheet.
